

# Felt Pangolin

1. Print and cut out the pattern
2. Pin to pale brown felt and cut out the felt pieces
3. Use black thread to sew small eyes on both body pieces, take care to sew them in the same place on each piece
3. Using blanket stitch, start to sew the pieces together, beginning with attaching the belly to the body pieces
4. When you are almost finished, fill the pangolin with soft toy stuffing or wool
5. Starting at the tail, sew the scales on
